# COACHES

All of our coaches are volunteers who've stepped up to help the kids have a great soccer experience! Please let them coach 😊  
Thank you!

EPYSA guidelines call for as close to similar playing time as possible during league games. This gives players the chance to put into play what they've been practicing and the opportunity to learn through success and failure.

The ultimate goal is to grow in the love of the game and learn teamwork skills on and off the field.

# REFEREES

We have a zero tolerance policy at HSC. Please know that the referees do have the authority to remove any player, spectator or coach for belligerent behavior. Please be sure we are being role models for our kids and positively cheering everyone on.

## U8 Super Soccer Saturday

We will utilize local referees for these games to allow our coaches to focus more on coaching and subbing than refereeing!

## What to do?

If there's enough of a problem to warrant a complaint - communicate with the Intramural VP, Nikki Lehr, who will initiate conversation with the referee coordinator. [intravp@hanoversoccerclub.net](mailto:intravp@hanoversoccerclub.net)
